

HOMEWORK 5º GRADE (29/08)

- 1. Choose an animal and describe it. First, complete the categories.
Then, write your own description.**

- Name:

- Description: Think of three adjectives to describe. Physical description.

- Habitat: Where does it live?

- What can it do? Fly, crawl, etc.

- Comparison: How is it different from another animal?

- 2. Now you can write your own description with the information from
activity 1.**

- 3. Read the text on page 13 from the Pupil's book. Then, complete activity 1
on page 6 from the Activity book.**
