

HOMEWORK 5° GRADE - (26/09)

1) Read. Then, answer.

Online class

Hi kids! It's Alice here. It's great to see you all. Today's class is about some of the technology we use. Well, we're all on our laptops. I'm talking now, so you can hear me. Have you got headphones or a speaker? We can also see our screens. There's a camera on there somewhere, that's how I can see you all. Please write a comment in the message box with any questions

or problems you have. Let me show you some of the things I use here. I use them every day. So, I've got my headphones on. I usually use my speaker, but it isn't working today. Here's my printer (I like to print my photos on there), my camera and e-reader and I always wear my smart watch. My watch buzzes every hour and sends a message to tell me to move! Oh, it's buzzing now...
