I've got a collection of toys! Look, they're very different.

Then there's Mr Stick-a-Smile. He's my favourite! He's funny because he's got a dark moustache, big eyebrows and a curly beard! Oops, look, he hasn't got one eyebrow ... here it is!

In my city there's a lovely restaurant. I like going to this restaurant with my family. Next to the restaurant there's a big hotel, but I don't like going there because it's boring! There are some amazing shopping centres in my city and I love going shopping! There's a funfair behind our house this weekend, but I don't like going on a ride because it's scary!
