3. READ THE TEXT AND ANSWER THE QUESTIONS.

EXAMPLE: **THEY** SOMETIMES USE THE TABLET.

Our family technology rules

In this house...

- > we always ask Mum and Dad before we chat online, watch videos online or search the internet.
- > we never upload photos to the internet.
- > we use the tablet, laptop or games console for one hour a day.
- > we never shop online without Mum and Dad.
- > we never use technology at the dinner table.
- > we never use laptops, tablets or mobile phones in our bedrooms.
- > we always do our homework before we watch TV, use our e-reader or play on our games console.
- > we never share personal information online.
- > we turn off screens one hour before bedtime.
- > we never chat online or make video calls with people we don't know.
- > we never open emails from people we don't know.
- > we only use the internet between four o'clock and seven o'clock in the evening.
- > we never write bad comments about people.
- > we always help each other when we have problems with technology.
